Museum Of The American Quilter's Society

We invite you to Paducah, Kentucky for the quilt experience of your life!

See three galleries of priceless quilts, including the MAQS Permanent Collection, which includes quilts that have won Best-Of-Show and Workmanship Awards in past AQS National Shows.

There is a gift shop, and workshops are offered. Contact MAQS for more information:

MAQS • 215 Jefferson Street • Paducah, KY 42001 • (502) 442-8856

Membership Pin

An elegant maroon and gold pin signifies that you have had the vision to join the American Quilter's Society to help promote the art of quilting and set the standard of excellence that all who love quilting desire to achieve.

National Quilt Show

Free admission for members. Each spring in Paducah, Kentucky, 400 exquisite quilts are displayed with more than \$70,000 in cash awards. Workshops, lectures, authors, fashion show and Merchants Mall are also featured.

Savings On Quilting Books

Periodically you will receive a list of many books on quilting. As a member, you can buy any of these books at attractive savings.

Quilts For Sale Service

We are offering our members the opportunity to have quilts they would like to sell photographed and listed in a catalog at no expense to members.

AMERICAN QUILTER Magazine

This beautiful, colorful magazine is exclusively for members of AQS. It is not available to the public or on newsstands. Spring, Summer, Fall, and Winter issues are sent to you free. As a member, you can share your experiences, techniques and beautiful creations and promote your accomplishments through this magazine.

The *Gallery of American Quilts Book 3 1830-1991* is a beautiful, full-color presentation of 875 quilts which were offered for sale by members of the American Quilter's Society in 1990 and 1991. This book is a sequel to the popular *Gallery of American Quilts Book 2 1860-1989*.

This volume will help you develop new ideas. Thumbing through page after page of full-color examples will add to your knowledge of quilting and be useful in future projects. Even the advanced or professional quilter will find a color combination, border treatment or style that inspires her.

This book is a valuable price guide for both antique and modern quilts. Since all the quilts shown were recently for sale, it is probably the best indicator of true value on the quilt market.

Gallery of American Quilts Book 3 1830-1991 is also a bridge through time. The quilts shown date from the middle of the 19th century to the 1990's. See the changes that have taken place – and study the trends in technique, color, materials and patterns.

Gallery of American Quilts Book 3 1830-1991 is a definitive book no quilt enthusiast should be without.
